

Автор: Шыңғыс Мөлдір Ерланқызы

Пән: Ағылшын тілі

Сынып: 5-сынып

Бөлім: Reading for Pleasure

Тақырып: Past simple:regular,irregular

Оқу мақсаттары (оқу бағдарламасына сілтемеу):	Understand and learn how to say about the past events in the context of last day activities making affirmative, negative and question forms with regular and irregular verbs.
Сабақтың мақсаты:	All learners will able to: have general knowledge on the topic Most learners will able to: distinguish the difference between tenses and make negative and question forms in the past form Some learners will able to: make their own sentences
Тілдік мақсаттар:	Learners can: make affirmative and negative question forms in present simple Key words and phrases: Ask, answer, explain Useful classroom language for dialogue /writing: what did you do yesterday? Writing prompts: endings ed/d to the verbs
Күтілетін нәтиже:	Affirmative and negative question forms with regular verbs.
Бағалау критерийлері:	Learners Can make affirmative form of the past "+" 2. Can make negative form of the past "-" 3. Can make question form of the past "?" 4. Can find in a text 5. Can answer to general question in the past "yes, I did./ no I didn't"
Құндылықтарды дарыту:	
АКТ-ны қолдану дағдылары:	Whiteboard,PPT slide
Пәнаралық байланыс:	
Бастапқы білім:	

Сабақ барысы

Сабақ кезеңдері	Жоспарланған іс-әрекет	Ресурстар
Сабақтың басы (5 min)	Get ready the projector and the slides before the lesson. Welcome our guests Organizing the lesson, get learners to know the aim of the lesson	1. Setting up the context. Контекст құру. Yesterday I was at home, cleaned up my house and watched TV 2. Explaining the material and do a phonetic drill. With a translation. To be: Pres. Simple am/is/are – Past simple was жекеше/were көпше I am at school – I was at school He is at school – he was at school She is at school – she was at school It is at school – it was at school You are at school – you were at school We are at school – we were at school They are at school – they were at school

Сабақкезеңдері	Жоспарланған іс-әрекет	Ресурстар
Сабақтың ортасы (25min)	Whole class work: finding and labeling affirmative, negative, question forms with special colored cards. + - ? Read and translate the dialogue for learners. Some learners reread the dialogue. Group work. Dividing the class into 3 groups. Doing the task. Then the speakers read out loud the sentences to the class and other group Put the words in right order, then make negative and question forms: 1) asked / I / mother / my 2) to my/ answered/ she/ question 3) helped / my sister / yesterday / I	Refresh time. Refresh time is carried out by one pupil who provides a model for the class.
Сабақтың соңы (5 min)	Self assessment criteria (handouts) Home task (will be shown in a board)	
Рефлексия (5 min)	From my point of view I have achieved the aim of the lesson They learnt how to say they verbs in the past with affirmative, negative and question forms Pupils were a little inactive because of the guests I think or just the activities were not so joyful Everything was in its planned time To make the lessons more vivid in future, be more active and be more confident
